## Ad Sales: Marching Titan Band Members and Family

This years 'Sights and Sounds' Band competition will be held on September 25th at Central Bucks South. This event is a major fundraiser that helps support the Band for the entire season. We depend on the proceeds from ad sales in the program to make the day a financial success.

By selling ads this year, not only will the Band benefit as a whole, but you will be able to personally benefit. As an incentive, percentages of what you sell can be put into your student point account to be used for trips, clothing, future registration payments and numerous other items.

All students are required to sell a **mandatory minimum of \$80 in ads**. If you sell over \$200, you will receive 10% in points. Selling \$500 in ads will put 15% in points into your account. And, if you sell over \$1000 in ads, you will receive 20% of points into your account! By helping the Marching Band as a whole, you can help yourself too!

Full, half and quarter page ads, as well as business cards and one-line ads are available. The same "Ad Sales Order Form - 2010" should be used for both business and personal ads. Included is a separate letter explaining the program for advertisers.

Send a message to your favorite band member. These ads can be sold to family and friends. If you would like to include a photo, please label it lightly on the back and it will be returned to you. Please feel free to make copies of the ad form enclosed in this packet. Additional ad forms can be found in the Band Room.
